Welcome to Hitchin Rugby Club

Having moved to Hitchin back in 1980, I went down to the club one Saturday to watch the game and afterwards went in to the bar for a drink. By the time I left I had been signed up as a member. That is the sort of friendly club Hitchin is.

Since that day I have seen the club grow from one putting out four men's sides to today when we are fielding men's, women's, mini and youth sides and touch rugby. Our membership has grown so much that we had to build six new changing rooms and plan to add a further four when the funds become available.

We would not be able to provide this much rugby without the vital support of our sponsors. Your backing not only allows us to develop the facilities but also to develop our players through arranging courses and visits from external coaches.

Thank you once again and please come and visit us especially on a Sunday when you can see hundreds of children and parents alike, enjoying playing rugby within their Hitchin community.

About Hitchin Rugby Club

Hitchin Rugby Club is the largest sports membership club in North Herts with members aged from 4 to 84! We have over 650 Mini & Youth players, four senior Men's sides, a hugely successful Girls Rugby section, a resurgent Ladies squad whom should be fielding a second team next season, along with a touch-rugby team and a not-so-new Vets squad. And all of this is delivered by our army of some 200 lovely volunteers. But what makes us really special is our sense of community and friendly welcome.

We had six new changing rooms built a couple of years ago and have lots of plans for further development to the Club. We are now looking for Sponsors for the 2018-19 season to help us continue reaching out into the community and providing a hub of sport and social community spirit within Hitchin.
